

EMPLOYER & CONTRACTOR RESOURCE GUIDE

CONNECTING MILITARY-AFFILIATED JOB SEEKERS TO OPPORTUNITY

Welcome to the Employer & Contractor Resource Guide provided by the **Employment Readiness Program (ERP)**, a vital service under **Army Community Service (ACS)**. This resource was developed to support our Military Spouses, Soldiers, Family Members, Retirees, and DoD Civilians in navigating employment opportunities within and around the U.S. Army Garrison community.

This guide features a curated list of employers and contractors who:

- Are currently listed under the **United States Forces Korea (USFK) Contractor Employment Agreement**,
- Offer positions at **U.S. military installations throughout Korea**, and
- Retain employment operations at **other U.S. installations around the globe**.

The employers featured in this list represent a wide range of industries and mission-critical functions, providing diverse career opportunities to support the unique skills and experiences of our military-affiliated job seekers. Whether you are exploring careers in technical fields, operations, or professional services, these employers offer meaningful work in both public and private sector environments.

SCAN THE WORKSHOP AND REGISTRATION QR CODE TO ACCESS OUR EMPLOYER LIST

OUR EMPLOYER LIST INCLUDES OPPORTUNITIES ACROSS THE FOLLOWING CAREER FIELDS

(Click on the Hyperlink that meets your search criteria)

- **Cybersecurity / Information Technology / IT Consulting**
Protecting digital infrastructure and enabling mission-focused technology solutions.
- **Operational Management / Strategic Services / Consulting & Program Management**
Driving performance, strategic planning, and organizational effectiveness.
- **Defense Consulting / Government Services / Defense Contractors**
Supporting national security and military readiness through expert defense solutions.
- **Military Systems, Aerospace & Defense Technology**
Advancing innovation in aviation, missile systems, and integrated defense platforms.
- **Technology & Research**
Innovating in fields such as AI, software engineering, and scientific discovery.
- **Systems Engineering / Technical & Professional Services**
Designing, analyzing, and implementing complex systems that support government and commercial sectors.
- **Logistics / Facilities Management & Operations**
Ensuring efficiency in supply chain, base operations, and infrastructure sustainment.
- **Healthcare & Medical Services**
Delivering quality care and health-related services across clinical and administrative settings.
- **Energy & Environmental Consulting**
Promoting sustainable energy use and environmental stewardship in federal and commercial projects

To access our Employer / **Contractor list** or to just check out **local job opportunities and employment resources** on our **Facebook Page** and/or **Register for our Employment Workshops** using the QR Codes below.

EMPLOYER & CONTRACTOR RESOURCE GUIDE

EXPLORE LOCAL EMPLOYMENT OPPORTUNITIES ACROSS THE PENINSULA

In addition to the enclosed list of mission-support and installation-wide contractors, we encourage you to also review a separate section highlighting **Local Employers** who are not part of the larger U.S. government contracting mission structure. These businesses operate independently within the peninsula on various Installations and represent valuable opportunities for those seeking flexible and community-based employment. As part of our ongoing commitment to support your career journey, we invite you to explore a variety of local employer options located at the **end of this Employer List**. Whether you're seeking full-time, part-time, or possible remote work, the region offers a diverse mix of industries.

ADDITIONAL EMPLOYMENT OPPORTUNITIES UNITED STATES CITIZENS

- **Federal Employment Opportunities** at [USAJOBS.gov](https://www.usajobs.gov) – the official hiring portal for U.S. federal government jobs.
- **State, County, and City Government Jobs** by visiting your respective employment websites for opportunities in education, healthcare, public service, and more.

FEDERAL EMPLOYMENT OPPORTUNITIES FOR LOCAL NATIONALS

If you're a local national seeking employment with the U.S. Army or Department of Defense in Europe or the Far East, the **Multi National Recruitment System (MNRS)** is your primary gateway. This official platform, managed by the Civilian Human Resources Agency (CHRA)

****Access MNRS here: <https://portal.chra.army.mil/mnrs>

INVALUABLE EMPLOYMENT ASSISTANCE

The Army Community Service (ACS) **Employment Readiness Program (ERP)** is proud to offer **personalized, results-driven support** to help you confidently navigate the job market—whether you're preparing for federal, local, or private sector employment.

Our services include:

- **Résumé & Cover Letter Development** – Tailored to highlight your strengths, experience, and career objectives.
- **Federal Employment Guidance** – Learn how to search, apply, and succeed in the federal hiring process through USAJOBS.
- **Job Search Strategies** – Gain insight into the most effective tools, platforms, and techniques for locating opportunities.
- **Interview Coaching** – Build confidence with mock interviews and targeted feedback.
- **Employment Workshops** – Participate in group sessions covering federal and non-federal resume writing, career planning, and federal applications, mastering your Interview and planning your next move and much, much more!
- **One-on-One Career Counseling** – Schedule a personalized appointment with an ERP specialist for direct, hands-on support.

Whether you're transitioning from military service, seeking employment due to a PCS move, reentering the workforce, or just getting started, ERP is here to help you take the next step with confidence.

Empowering You. Enhancing Readiness. Building Futures. Stay connected!
