(4) A statement of the private organization's liability if assets are not enough to cover all private organization liabilities.

(5) Agreement to reimburse the Army for utility expenses, unless use is incidental (would cost more to bill and collect than it costs to provide the utility).

(6) A statement that the private organization will neither propagate extremist activities, nor advocate violence against others, or the violent overthrow of the Government.

(7) A statement that private organization activities will not seek to deprive individuals of their civil rights.

(8) Private organizations must provide a statement that they will not engage in any form of partisan political activity as defined by DoDD 1344.10.

9. Membership practices. Private organizations will not unlawfully deny membership, unlawfully exclude from participation, or otherwise subject to unlawful discrimination, any person because of race, color, creed, sex, disability, or national origin.

10. Fundraising.
