

HONOR BEAD

Walk

Join us in lighting the path to hope and healing at our annual Honor Bead Walk! This impactful event invites participants to wear beads of different colors, each symbolizing their personal connection to the cause—whether in memory of a loved one, in support of a survivor, or to celebrate personal struggle and recovery.

Gather with us as we walk together in solidarity, share stories, and raise awareness. Your steps can bring us closer to a world without suicide. Let's connect, support, and remember, one step at a time.

FRI. 18 SEPT. 2026 | 1000 - 1200

AT BALBONI FIELDS
